

# Buena Regional High School

## Survey Consent Form

This year students are being asked to complete a bullying survey. Students will not be asked to provide their names on the survey, it is anonymous. A copy of the survey questions is available on the BRHS website. If unable to view online, contact Ms. Judy Venafro at 856-697-2400 extension 8224 for a hard copy.

Surveying students about bullying will be helpful to developing our school's safety plan as required by the Department of Education. The questions will provide information about:

- How frequently are our students bullying/being bullied?
- What type(s) of bullying are most common?
- Where does bullying occur?
- How often do students report bullying?
- How do students feel about bullying?
- How often do students observe adults and peers responding to bullying?

The surveys will also serve as a means of raising students' awareness about what bullying is and what it looks like by providing a consistent definition and asking about specific behavior.

The surveys will be used to identify the precise needs within our school, to make adaptations to supervision or other procedures, and to shape our school's bullying prevention efforts based on the findings.

**Please complete this survey consent form and have your child return it to their homeroom teacher. It is very important that your child return this form to their homeroom teacher by Friday, September 8, 2017.**

If you have additional questions concerning this survey consent form please contact Ms. Judy Venafro, Anti-Bullying Specialist at 856-697-2400 extension 8224.
